

# The Peacock

Modern Indian Cuisine

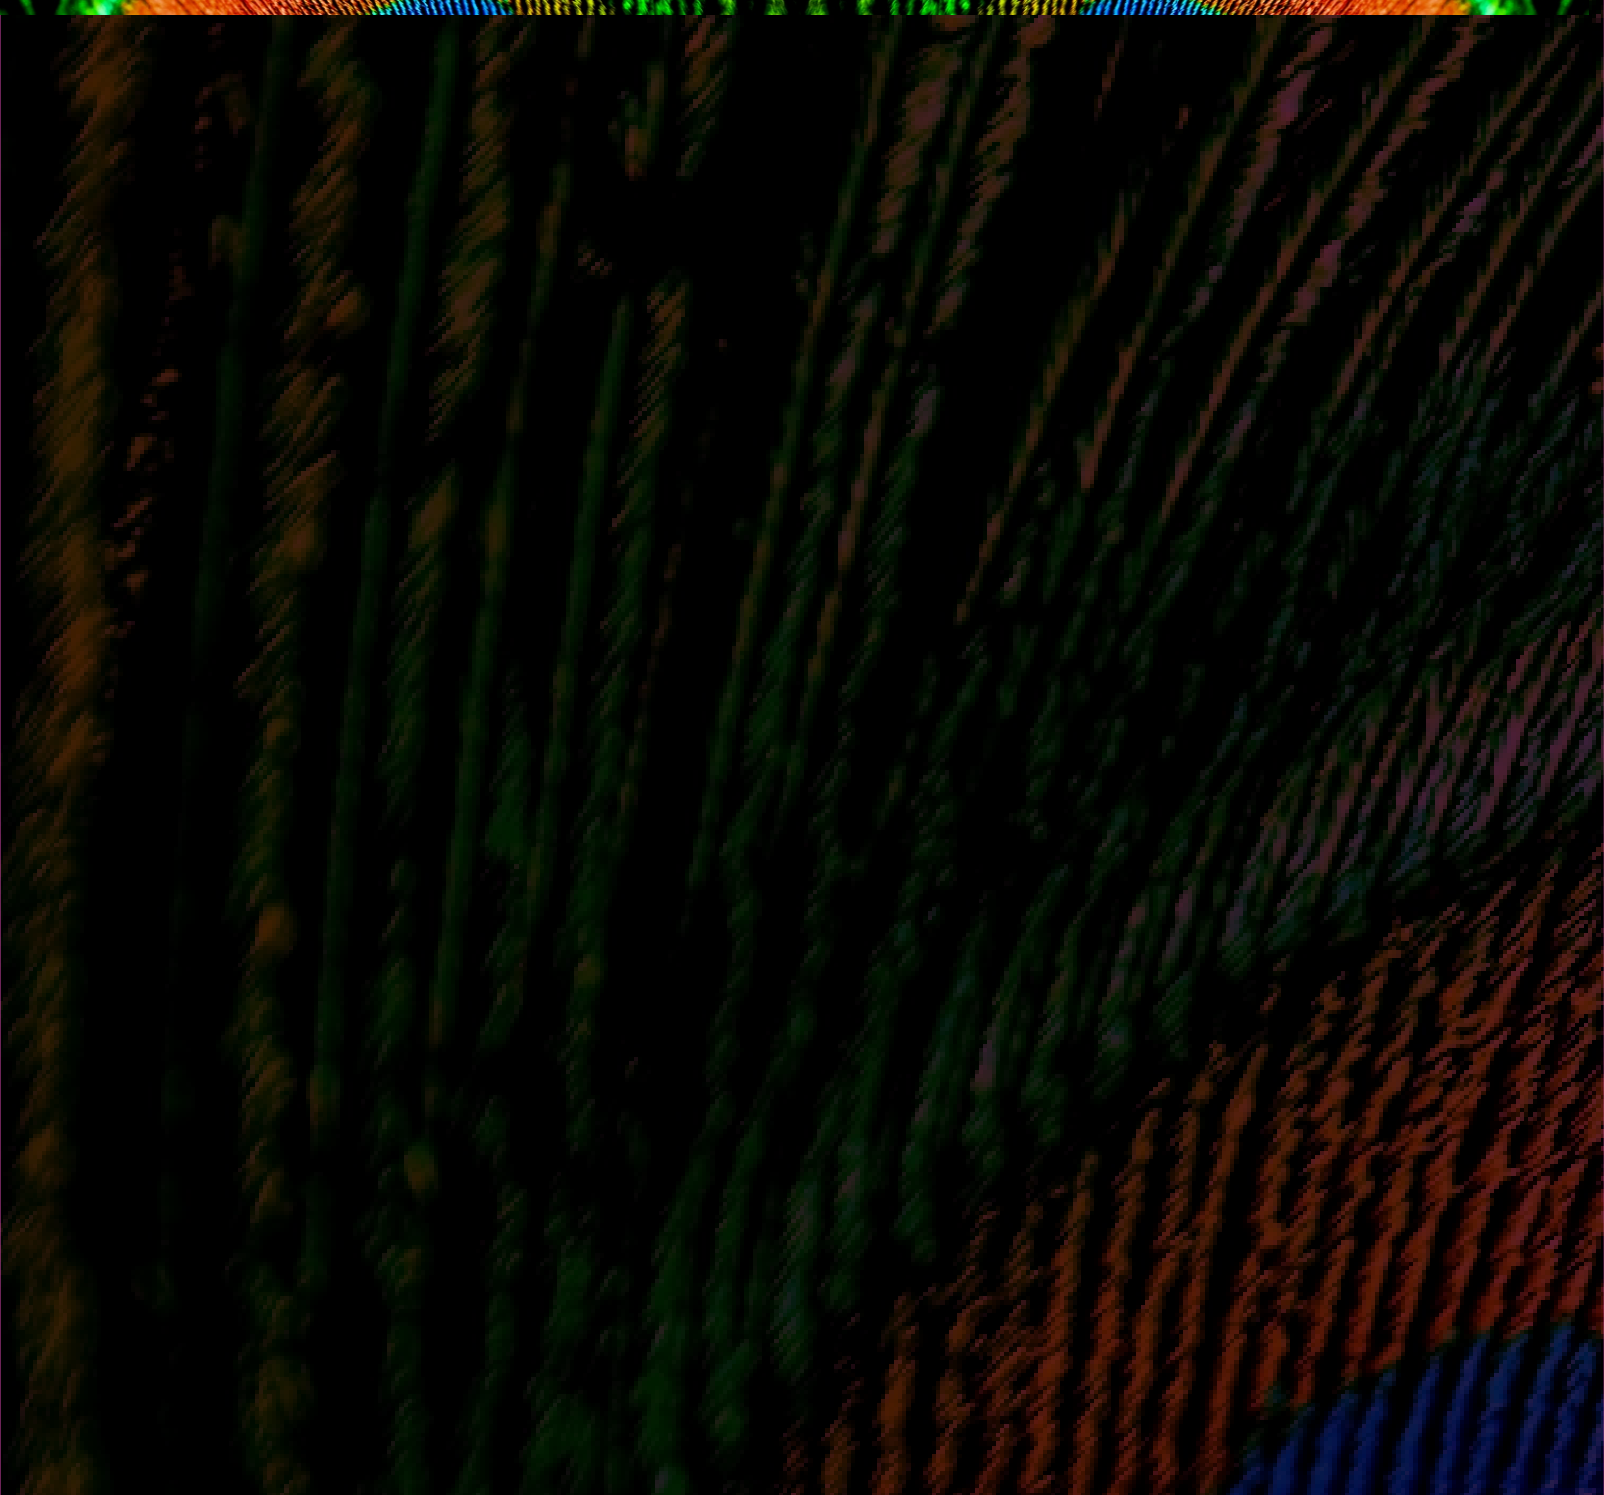

If you combine  
good flavor,  
food turns into an  
orchestra

# THE PEACOCK TALE

The Peacock is the home to some of the most authentic Indian cuisines. The Peacock - Modern Indian Cuisine is a restaurant created by Radhe Upavan Resort along with Celebrity Chef Aanal Kotak. Her dishes are created using the finest ingredients, fresh herbs and spices, and lots of skills. The Peacock aims to make you experience relaxing and comfortable ambience along with delicious food.

The cuisine served at the Peacock comprises of dishes from across India & Abroad, developed after in depth research and study of the culinary trends and local favorites. The inspiration of the menu lies in tracing the cultural lineage of the country, showcasing the culinary strength of gourmet cities & streets of India. Every state has its own charm when it comes to delicacies and flavors. Every household has different taste. Aanal Kotak tried to combine this in one menu and created a masterpiece for Ahmedabad to relish!

Walk in through our doors to a whole new and delicious world of wholesome meals. From various platters, delicious starters and flavor packed main course preparations, we bring you the real taste of India. Savor Your Taste Buds Now!
